

Exciting News at Tricon!

April 2021

We are pleased to welcome Kindra Howard as a Partner with Tricon Solutions.

Kindra joined the firm in February 2019 as Associate Partner where she has already been a key member of our team. With over a decade of experience in the IT project management consulting industry, Kindra also has a Bachelor of Commerce degree from Royal Roads University with a major in Entrepreneurial Management, and holds several certifications including her Certified Management Consultant (CMC), Project Management Professional (PMP), Business Relationship Management Professional and Professional Scrum Master (PSM) designations. Her experience in the consulting profession and IT industry will be a great asset to our management team as we continuously evolve our services in the industry. We know that she will certainly be a huge guiding force in taking the company to new heights;

Please join us in welcoming Kindra to the company in this capacity.
